

Minnesota Technology Education Association Awards Program

Business Recognition Award:

This award is presented to an individual representing a company or to a company whose efforts have made a significant contribution to the support, promotion, or improvement of Technology Education. (examples: Haldeman–Homme, MasterGraphics, and PITSCO would qualify for this award). A nominee for this award would not meet the criteria for any other MTEA award.

Requirements:

1. Each area affiliate may nominate an individual representing a company or to a company for this award.
2. That representative or the company has made a significant contribution to the support, promotion, or improvement in Technology Education.

Schedule:

1. Affiliates may nominate an individual representing a company or to a company who has met the requirements.
2. The application must be sent to the Awards Chairperson by June 1st.
3. The Selection Committee will make a decision by August 1st.
4. The award will be presented to the nominee at the annual MTEA Fall Conference in September. The nominee will receive 2 dinner tickets for the Friday Evening Banquet. Other tickets are available at the registration table.
