

**2009 MTEA Fall Conference Equipment Operators Forum**  
**Experience Fluid Energy!!**

**Friday, September 25, 2009**  
**St. Cloud Holiday Inn Parking lot**  
**8:45 to 3:00 a.m.**

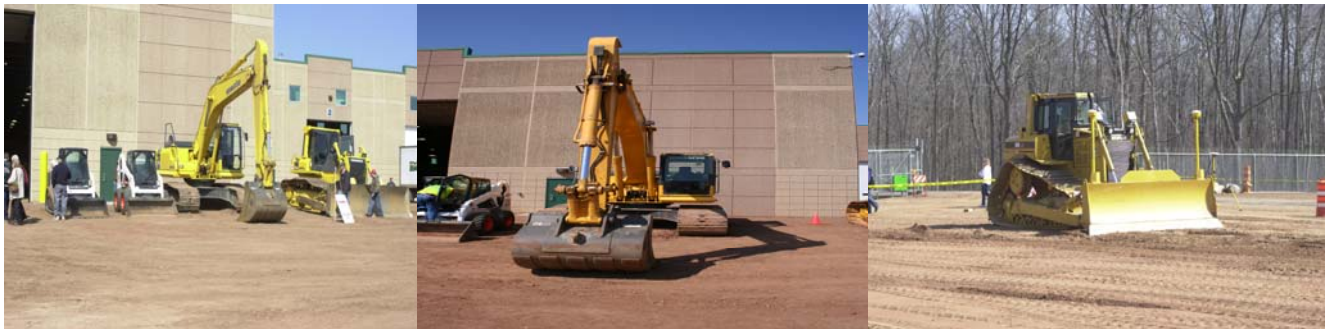

**Sponsored by Alex Tech Diesel Mechanics**

**Let the inner child in you, come out and experience the “real toys”  
with a hands-on operational experience.**

**“You can be a kid at any age, at the 2009 MTEA Fall Conference”!**

**This is a similar activity that was at MTEA Supermileage for students.**

**“Official” operator’s certificates will be available upon successful  
completion of the training experience.**

**And / or**

**\*\*\*“Minimal damage to the environment and property”\*\*\***

**Sign up times (15 minute slots) will be available at the registration desk to minimize your wait and  
allow you to schedule other conference activities at the conference.**
